

REMINDER NOTICE

This NOTICE serves as a reminder that in order for the Household Sewage Treatment System (HSTS) to operate as designed and installed, the components and any associated pumps, filters, and/or controls must receive monitoring and/or maintenance (O&M) at specified intervals.

Our records indicate that service to your system is REQUIRED before July 1, 2018 and that this inspection form be returned or post marked to the SCGHD no later than July 15, 2018.

FOR ADDITIONAL EXPLANATION VISIT OUR WEBSITE:
<https://www.senecahealthdept.org/sewage-systems>

PLEASE RETURN THIS POST CARD IN AN ENVELOP TO:
