

# **REMINDER NOTICE**

**This NOTICE serves as a reminder that in order for the Household Sewage Treatment System (HSTS) to operate as designed and installed, the components and any associated pumps, filters, and/or controls must receive monitoring and/or maintenance (O&M) at specified intervals.**

**Our records indicate that service to your system is REQUIRED before December 31, 2019 and that this inspection requires that a Registered Service Provider perform the inspection /maintenance of your HSTS. Proof of service must be returned or post marked to the Seneca County General Health District no later than January 15, 2020.**

**FOR ADDITIONAL EXPLANATION VISIT OUR WEBSITE:  
<https://www.senecahealthdept.org/sewage-systems>**

**Questions? Please call 419-447-3691 ext. 325**

**NOTICE: IF INSPECTION REPORT IS NOT RECEIVED IN THE REQUIRED TIMEFRAME, SCGHD WILL PROVIDE SERVICE AND CHARGE ACCORDINGLY.**
